We had a wonderful day for shooting Sunday. We had a real good turnout for shooters and wives and visitors.

For those that did not make it to the shoot we have a signup list for Calvary Days in Sturgis in June and also a Signup list for the 1880 train robberies that they would like us to do this year. The Train robbery we need to turn in the names real quick in a week or less. If you have any questions as to the days please call Hawkbill or Myself at 347-5445. We need more people to make this work or we will have to turn it down. They do pay the club for each day we perform so it helps out with the expenses. Well take care everone and hope to see you in May. Dakota Curly
