Goodafternoon everone. We had a fun shoot Sunday there was a little snow here and there but not to deep.

As you can see we had 6 shooters shooting the Holy Black. Some of us had quite a time getting the guns to work and others could not get the cartridges to go bang. But we all had a lot of fun. We had a little meeting.

Our social will be here before we know it. So hope everone can get out and collect something for us to auction at our social. It looks like we may have a pair of new boots size 12 that Blind Pete can not use. Also Blind Pete has made a knife to auction off at the social. To the people running games at the social don't forget to get a prize. Also Patty Weber is giving us a Necklace that has never been worn.

Thanks yous go out to the following individuals .. Povery Point for a Picnic Table that he brought to the range. Also Coyote Katie & Slim Yote for a Mirowave for the camper. Also Prairie Bird & Blind Pete bought some benches for everone to sit on. A BIG THANK YOU TO THOSE FOLKS.

THE TURKEY DINNER / CHILI FEED. WAS ALSO EXCELLENT. THANKS GOES TO STONY CREEK FOR THE TURKEY & GRAVY. PRAIRIE BIRD FOR THE DRESSING. I'AM NOT SURE WHO BROUGHT THE POTATOES AND GREEN BEANS AND ALL THE SALADS BUT THANKS. THE CHILI WAS DIANES DOING. IT WAS ALL DELICIOUS AND WE ARE GETTING SPOILED.... IF I LEFT ANYONE OUT I'AM SORRY. ALZHIEMERS IS SETTING IN. Take care everone see you on February 18 Dakota Curly
