

Hello To All,

HB-1190 and HB-1209 were both UNANIMOUSLY passed today by the Senate body. I cannot thank everyone enough for all the help you gave. I talked with several Senators today and they all mentioned being very impressed with the positive responses from gun owners in the form of e-mails, letters and phone calls. So now all 3 of our bills are on to the Governor for his signature. I will be meeting with Governor Rounds on Tuesday to discuss this legislation and the chain of events leading up to the 3 bills.

Many of you e-mailed your thanks to me, but I can say with total sincerity, it is all of you who make this possible. This is the 8th year that I have been lobbying for gun owners concerns and none of it would have been possible without everyone's involvement. Our success rate at the capital remains at 100% and the SDSSA membership gun lobby voice remains as the most prominent in the state. This Alert E-mail network has once again proven to be the backbone for our year after year success rate.

I will contact everyone again, following the meeting with Governor Rounds. Once again, please accept my thanks for a job WELL DONE.

As always; please forward this message to every gun owner you know. If this message was forwarded to you and you would prefer to become a member of the SDSSA Alert E-mail list, register at <http://www.blackhills.com/sdssa/informed.htm> and you will be added to the largest pro-firearms e-mail network in state of South Dakota.

Thank You,
