<->: Denotes not on committee or no vote required.

YEA: Denotes a favorable vote for the legislation.

NAY: Denotes an unfavorable vote against the legislation.

NAY: Denotes an unfavorable vote against the legislation due to extenuating circumstances. This could include unintended miscommunication or a prearranged strategic vote.

EXC: Denotes a Legislator who was **excused** and briefly left the chamber thus missing the vote.

ABS: Denotes a Legislator who was **absent** due to illness etc... and missed the vote.

HB-1075: Allows the DCI the additional option to sell confiscated firearms intact rather than destroying them.

HB-1134: The Self Defense bill which allowed a victim to meet force with force and removed the requirement to retreat first. Also dubbed our Stand Your Ground bill.

HB-1173: Prohibits all state agencies from adopting any rule which would restrict our legal right to carry a concealed handgun pursuant to current SD statute.

HB-1199: Prohibits public and private access to the list of "applicants" for pistol permits. This strengthens our existing privacy statutes that were being violated by a certain newspaper that chose to ignore previous adopted legislation by publishing the names of applicants.
